– Image Release\_Information Consent Form –

Title of Research Project

### **Evolution of Disability Arts in Australia**

QUT Ethics Approval Number 2021000382

### **Image and Video Release**

The research team would like to take videos and voice recordings and/or photographs of you as part of the research. We are asking your permission to store and use the image(s) and/or video and voice recordings of you.

The videos and voice recordings will identify you, and it is possible that people will become aware that you have been part of the research.

The research team wants to use these photographs, voice and video recordings in the following ways:

- to create an archive of disability arts in Australia,
- in publications and research presentations, created as part of this project, and
- in teaching and learning created from the Evolution of Disability Arts in Australia archive project.

You can decline this invitation without any consequences, and still be in the study.

You will have the opportunity to view the photographs, audio recording, and video recording as we plan to use them, and can decide to withdraw at that stage.

Once the image and video is published it will not be possible to withdraw your consent.

If you agree to have your images used, please complete and sign the consent below,  
If you want to review your image prior to use, please tick yes.
