## Arts Access Victoria's Mentorship Program

Supports your creative development

Connect with an  
experienced artist  
or arts worker to  
achieve your creative  
goals.

## What can a mentorship do for you?

Provide support and guidance in art making

Introduce new ways of working and approaching art

Provide you with feedback

Share and work on your ideas

Support you to achieve your goals, both short and long term

Build your artistic capacity

Increase networking opportunities

Mentorships are part of Arts Access Victoria's NDIS funded programs.
