ARTS ACCESS VICTORIA

We respectfully acknowledge the Traditional Owners of Country and custodians across all lands and waters now known as Australia. We pay respect to all Aboriginal and Torres Strait Islander peoples living here and those who have previously lived on these lands. We acknowledge and uphold their continuing relationship to this land and waterways. We acknowledge that their sovereignty has never been ceded.

In Bloom

Art is a journey of discovery and self-expression. This exhibition showcases creativity, colour, and the emotional power of art.

Each piece embraces new experiences by blending colours, layering textures, and trying out materials. These works show a deep connection with the world.

For many, art is a way to connect and find joy. Bright colours, soft pastels, and mixed mediums create depth and energy. They evoke happiness and calm. Artists face their fears, push boundaries, and explore new possibilities.

In Bloom Presents work made by artists in Arts Access Victoria's Maidstone studio
